MEMORANDUM

TO: The Honorable Members of the State Board of Education

FROM: Joy Hofmeister

DATE: December 19, 2017

SUBJECT: Recognition of School Administrators completion of the Moving UP:
Transitioning into the Principalship Cohort 1.

The Oklahoma State Department of Education (OSDE) in partnership with Education Technical Assistance Services (EDUTAS) and South Central Comprehensive Center (SC3) at the University of Oklahoma provided a series of professional learning opportunities focused on developing turnaround leadership skills and competencies through the Moving UP pilot project. OSDE recruited 48 assistant principals and first or second year principals to participate. Participants received six full-days of face-to-face professional learning, 5 additional virtual sessions, one-on-one coaching throughout the 15 month program and a virtual platform to share resources and build an engaging professional learning network. This professional learning opportunity was made possible through grant funding with the South Regional Education Board. Today we will be recognizing the participation of principals, coaches and partnership with Edutas and SC3.
